

GE Healthcare

The GE Adventure Series™

Note: This is the inside front cover

WELCOME!

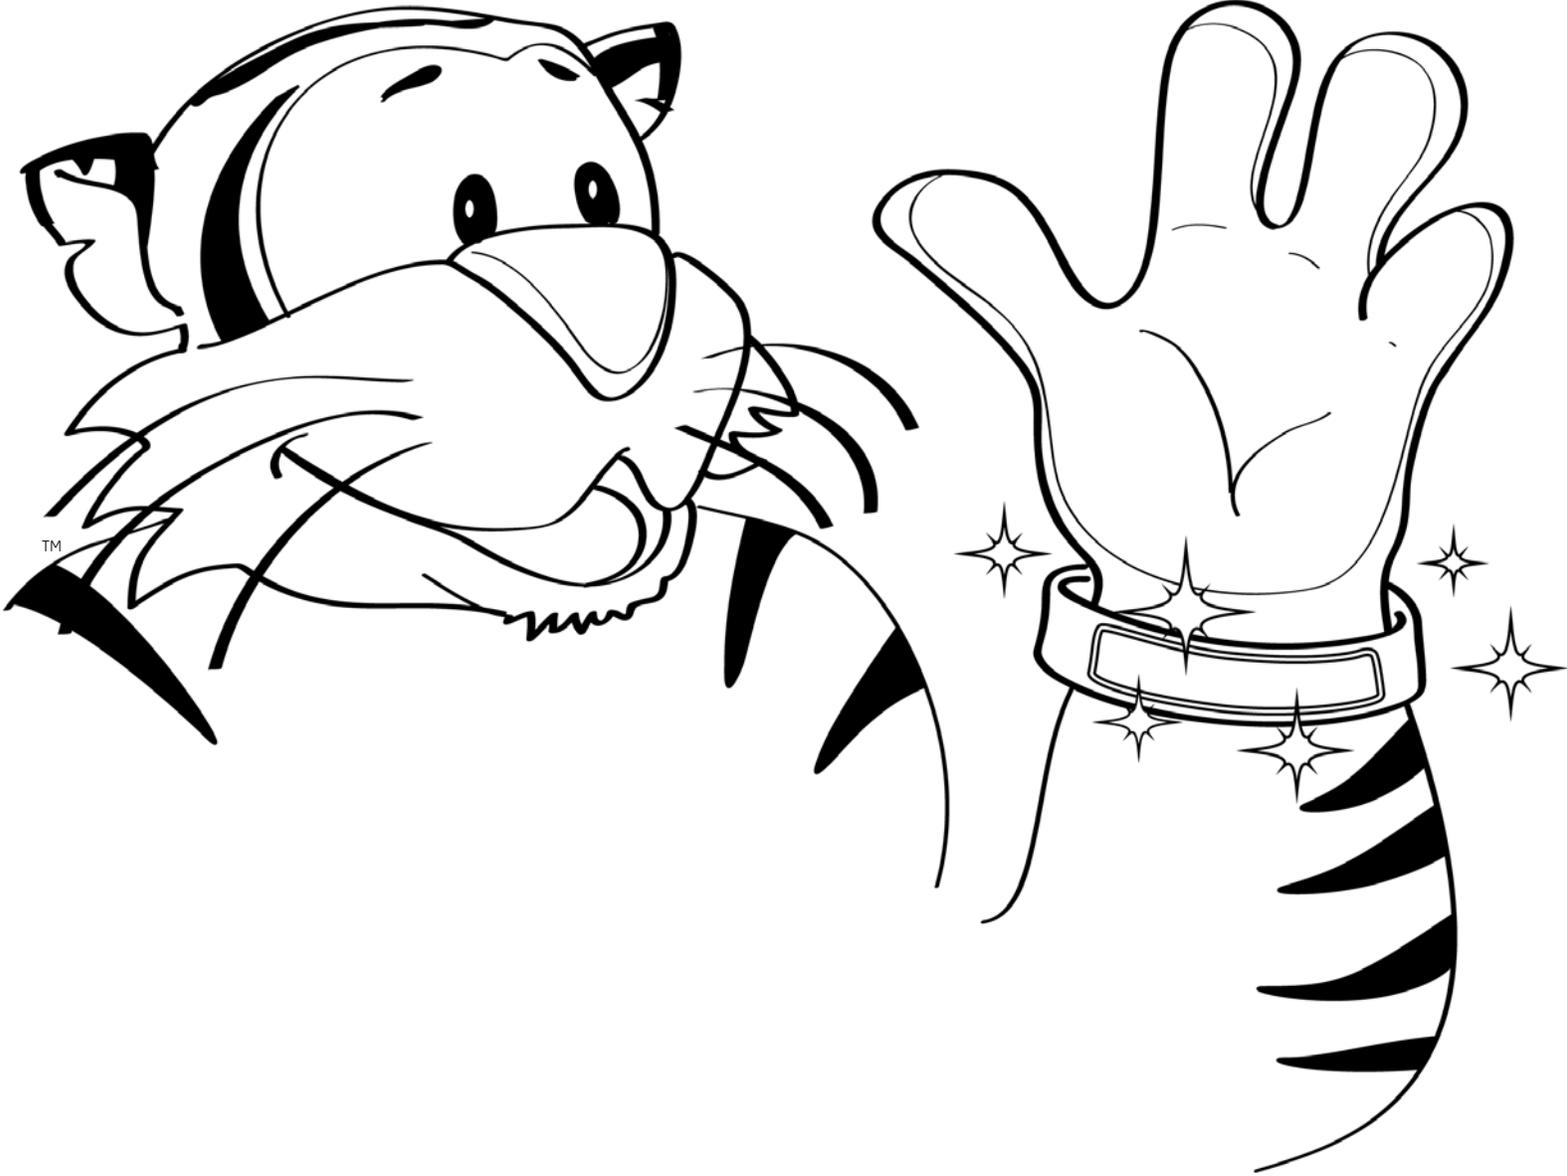

HELLO, WELCOME TO
RADIOLOGY!
DO YOU KNOW WHY
YOU ARE HERE TODAY?

HI! I AM HERE TO
GET A NUCLEAR
MEDICINE SCAN!

Tips for the adult

In simple terms, tell the child why she is at the hospital. Use staff as a resource to help explain the process to the child.

**YOU WILL GET A SPECIAL BRACELET TO WEAR.
THIS WILL BE YOUR TICKET TO RIDE THE
NUCLEAR MEDICINE JUNGLE BOAT!**

Tips for the adult

The bracelet provides proper identification of the child and promote safety.

WHAT IS A NUCLEAR MEDICINE SCAN ANYWAY?

REGULAR PICTURE

NM PICTURE

A NUCLEAR MEDICINE SCAN IS A VERY SPECIAL PICTURE OF YOUR MUSCLES AND ORGANS INSIDE OF YOUR BODY. DID YOU KNOW THAT A NUCLEAR MEDICINE SCAN HELPS DOCTORS SEE YOUR MUSCLES AND ORGANS?

Tips for the adult

Talk about muscles and organs with the child.

WHEN THE TECHNOLOGIST TAKES YOU TO THE NEXT ROOM, YOU CAN SIT ON THE BED AND THE ADULTS WILL TALK.

Tips for the adult

Comfort items, such as blankets or stuffed animals, may accompany the child during the test. Check items with staff.

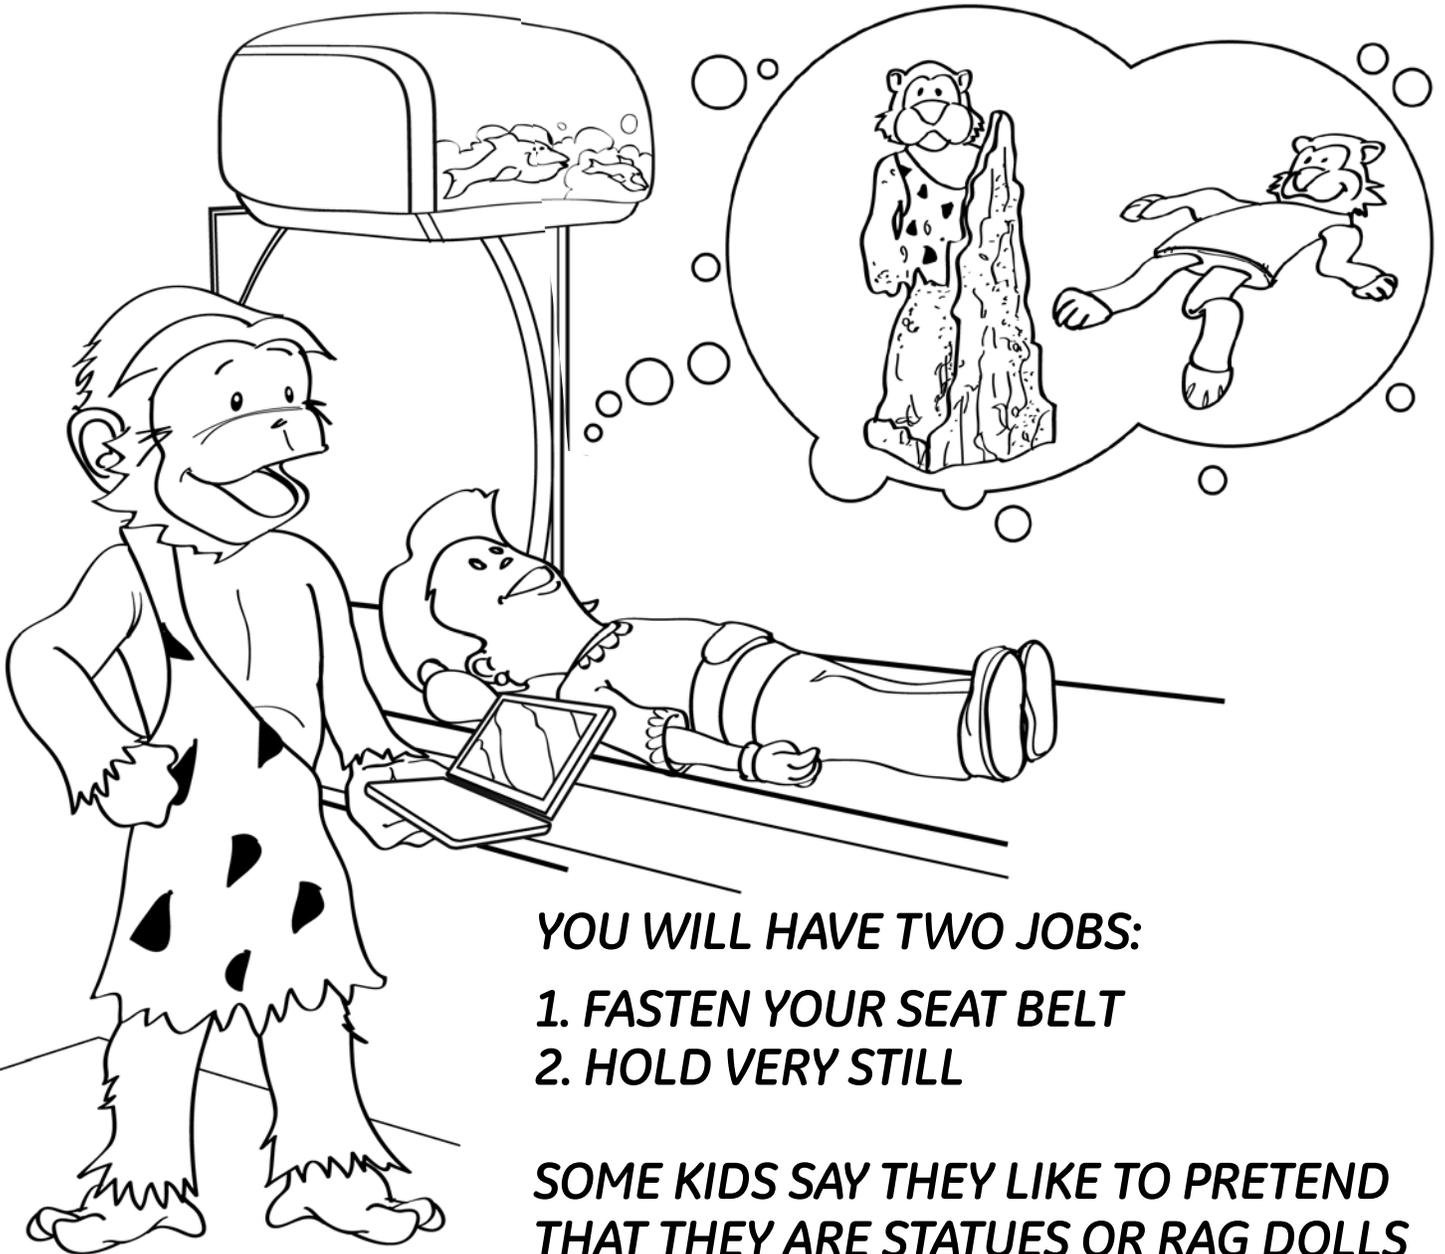

**THIS IS HOW YOU WILL LOOK WHEN
YOU LAY ON THE TABLE.**

Tips for the adult

Assure the child that the staff is here to help with the nuclear medicine scan.

**BEFORE THE NUCLEAR MEDICINE MACHINE CAN
TAKE YOUR PICTURE, YOU WILL HAVE TO PUT ON A
SPECIAL JUNGLE SEATBELT SO YOU ARE SAFE!**

YOU WILL HAVE TWO JOBS:

- 1. FASTEN YOUR SEAT BELT**
- 2. HOLD VERY STILL**

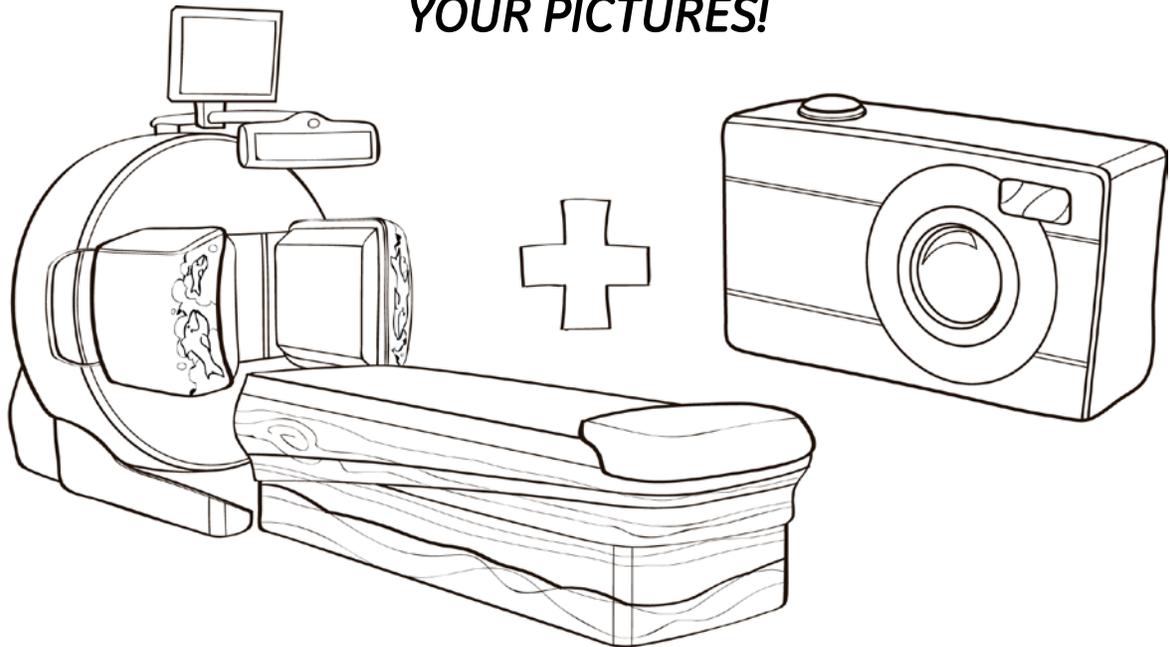

**SOME KIDS SAY THEY LIKE TO PRETEND
THAT THEY ARE STATUES OR RAG DOLLS
WHAT DO YOU WANT TO PRETEND TO BE?**

Tips for the adult

*What helps your child relax?
(Singing a favorite song? Taking slow, deep breaths?
Holding a stuffed animal?)*

YOU CAN RELAX AND ENJOY YOUR JUNGLE ADVENTURE WHILE THE CAMERA IS TAKING YOUR PICTURE.

SOMETIMES THE CAMERA MOVES WHILE IT TAKES YOUR PICTURES!

Tips for the adult

The nuclear medicine scan times can vary between 30 minutes to two hours. Portable DVD players and movies are available during scans. Feel free to bring a favorite movie from home.

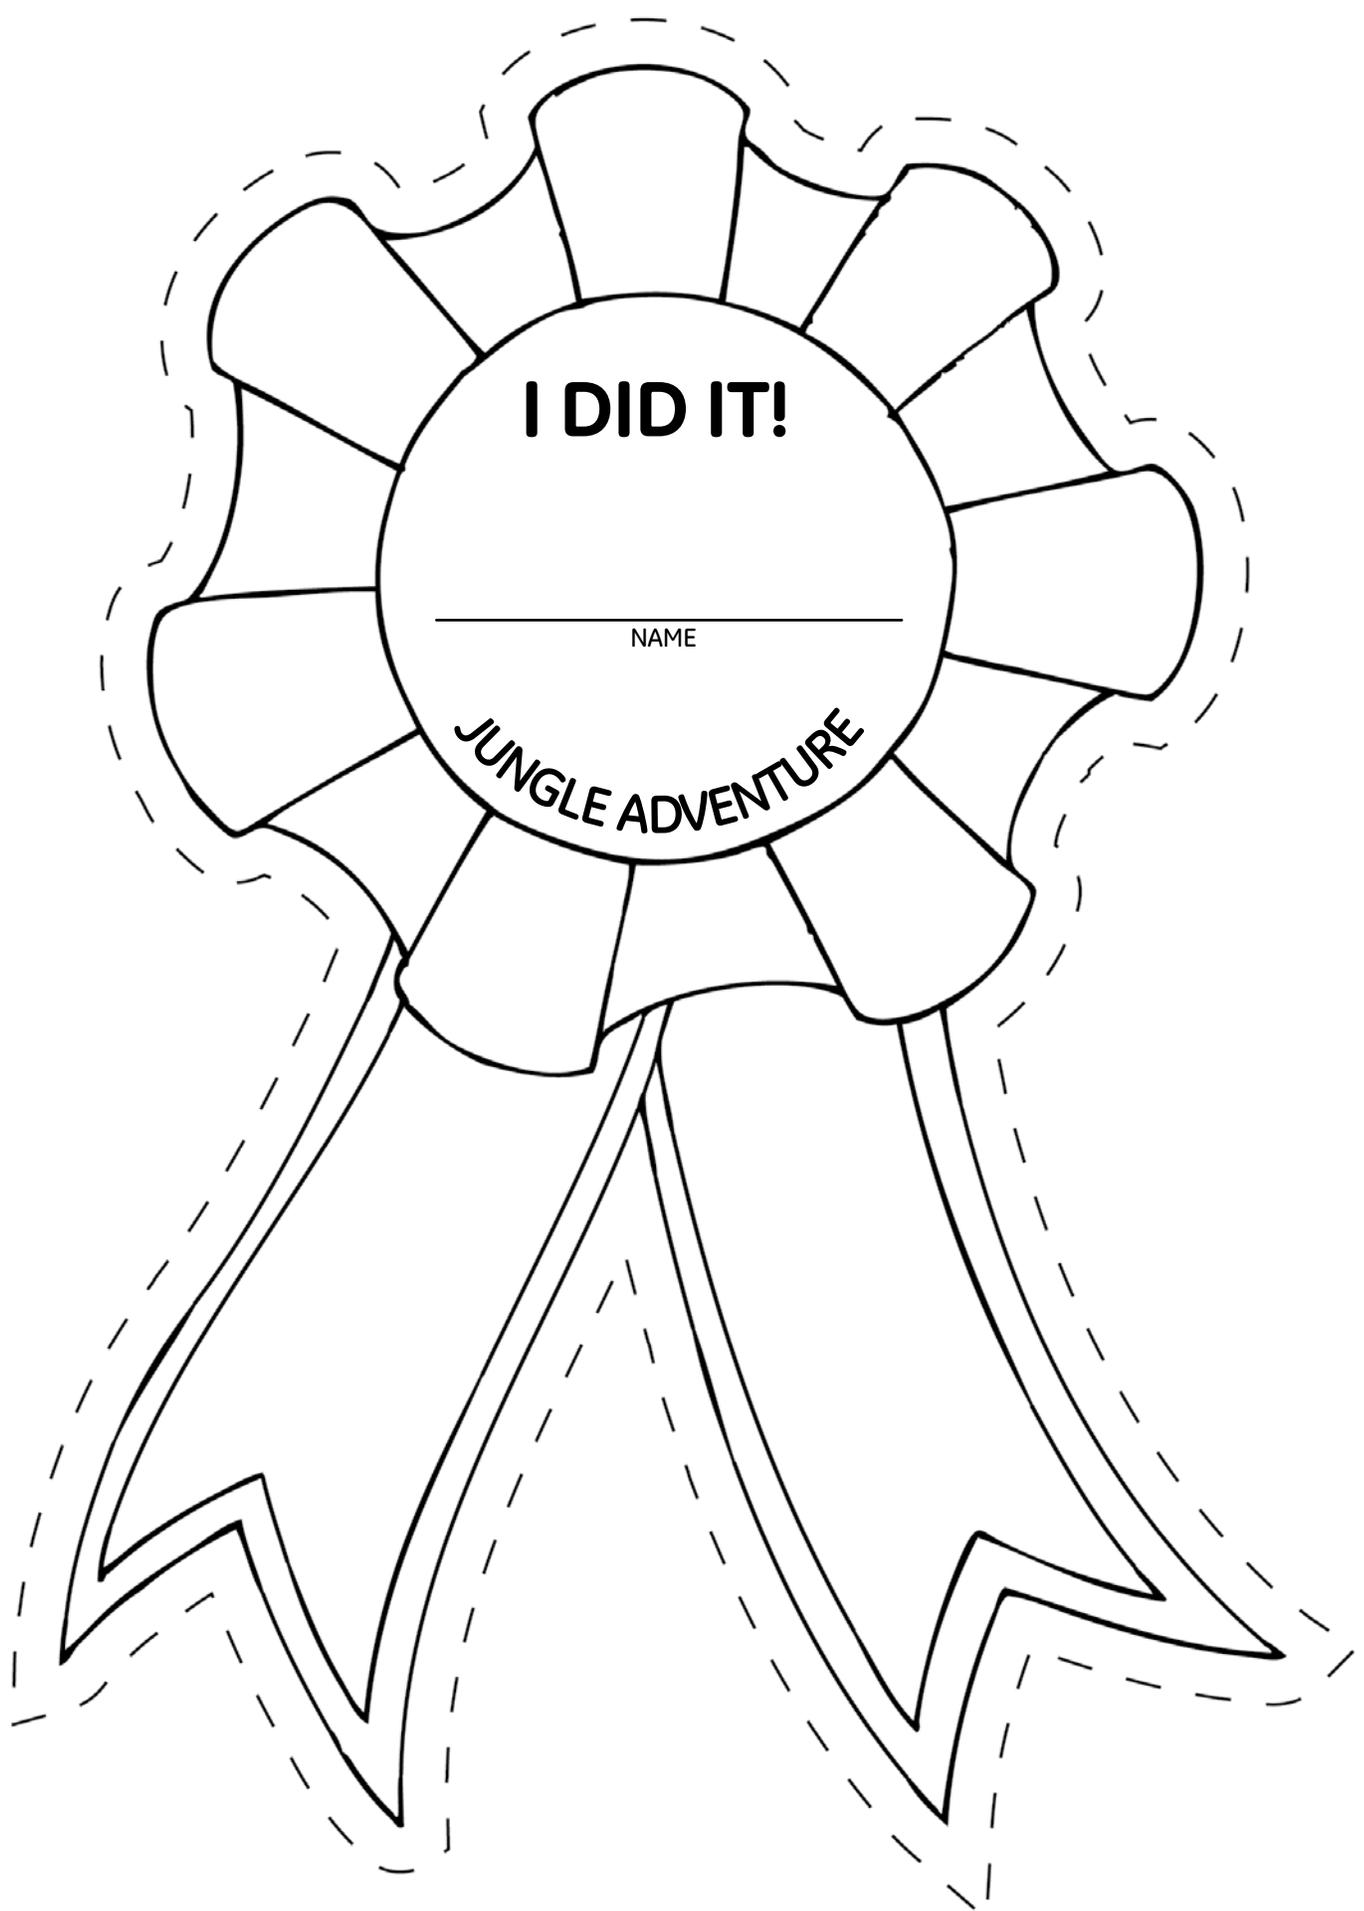

**REMEMBER YOUR JOB...TO LAY VERY STILL!
ONCE THE NUCLEAR MEDICINE CAMERA TAKES
ALL OF YOUR PICTURES, THE STAFF WILL LET YOU
KNOW THAT YOU ARE ALL DONE!**

**YOUR JUNGLE ADVENTURE IS OVER! YOU DID A
GREAT JOB!**

Tips for the adult

Please check with staff regarding staying in the room during the nuclear medicine scan. Ask the child if it would be helpful to stay connected through touch.

I DID IT!
