

TECHNOLOGY ASSISTED CHILDREN'S HOME PROGRAM

Dear Home Care Nurse,

The Technology Assisted Children's Home Program (TACHP), affiliated with Children's Hospital of Pittsburgh of UPMC, is planning a conference in regards to taking care of the child with complex medical needs. The conference will take place in the spring of 2018 and will offer continuing education credits. We are reaching out to all the Home Health and School Nurses of our patients, to get your feedback on what topics you think should be covered or areas that you may be interested in learning more about.

Please take the time to complete the section below and return it in the postage paid envelope. Thank you in advance for your cooperation. We hope to see you next year at the conference.

Please circle the areas you are interested in:

- **Lifting and transferring of patient**
- **Safety**
- **Trilogy ventilator**
- **Guide lines for ensuring skin integrity**
- **Pain management**
- **Dental/Oral Care**
- **Assistive Devices**
- **IEP/504 Plans**
- **Blood borne pathogens**
- **Infection Control-standard and additional precautions**
- **Psychosocial care**
- **Communication**
- **Disaster planning**
- **Music therapy**
- **End of life care**
- **Emotional support for nurses**
- **Other** _____
