Molecular Medicine Research Seminar

June 2018 Schedule

Tuesday 12:00 to 1:00 PM in the Mary Jo Howard Dively Auditorium
John G. Rangos Conference Center

(Lunch served at noon)

June 5, 2018  “Proteostasis function and dysfunction: the folding machines that maintain proteome health”
Judith Frydman, PhD
Professor of Biology and of Genetics
Stanford University

June 12, 2018  “Cell division and genome organization in development and aging.”
Yixian Zheng, PhD
Director
Department of Embryology
Carnegie Institution for Science

June 19, 2018  “Novel Strategies to Target the MYC Oncogene in Cancer.”
Linda Penn, PhD
Professor
Canada Research Chair in Molecular Oncology (Tier 1)
Director, University Health Network Office of Research Trainees
University of Toronto

June 26, 2018  “Lessons from the Crypts: HMGA1 in Cancer, Development & Aging”
Linda Smith Resar, PhD
Professor, Division of Hematology
Institute for Cellular Engineering
Hematology Consultant, Center for Bloodless Medicine & Surgery
The Johns Hopkins University School of Medicine

Continuing Education Credit

The University of Pittsburgh School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Pittsburgh School of Medicine designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Each physician should only claim credit commensurate with the extent of their participation in the activity.

Other health care professionals are awarded 0.1 continuing education unit (CEU) which are equal to 1.0 contact hour.

Disclosure Statement

All individuals in a position to control the content of this education activity are required to disclose all relevant financial relationships with any entity producing, marketing, re-selling, or distributing health care goods or services, used on, or consumed by, patients.
