Molecular Medicine Research Seminar

May 2018 Schedule

Tuesday 12:00 to 1:00 PM in the Mary Jo Howard Dively Auditorium
John G. Rangos Conference Center
(Lunch served at noon)

May 1, 2018  “Emerging Paramyxoviruses: Diversity and Danger?”

Benhur Lee, MD
Professor, Department of Microbiology
Ward-Coleman Chair in Microbiology
Icahn School of Medicine at Mount Sinai

May 8, 2018  “Residual Function of Cystic Fibrosis Mutants Predicts Response to Small Molecule CFTR Modulators”

Garry R. Cutting, MD
Professor of Pediatrics and Medicine
McKusick-Nathans Institute of Genetic Medicine
Johns Hopkins University School of Medicine

May 15, 2018  “Antibodies against Ebola and Lassa: A Global Collaboration. ”

Erica Ollmann Saphire, PhD
Professor, Immunology & Microbial Science
Co-Director, Center of Excellence, The Global Virus Network
Director, Viral Hemorrhagic Fever Immunotherapeutic Consortium
The Scripps Research Institute

May 22, 2018  “Genome-wide approaches to understanding Group B Streptococcus pathogenesis”

Adam J. Ratner, MD, MPH
Associate Professor of Pediatrics and Microbiology
Chief, Division of Pediatric Infectious Diseases
New York University School of Medicine

Continuing Education Credit

The University of Pittsburgh School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The University of Pittsburgh School of Medicine designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Each physician should only claim credit commensurate with the extent of their participation in the activity.

Other health care professionals are awarded 0.1 continuing education unit (CEU) which are equal to 1.0 contact hour.

Disclosure Statement

All individuals in a position to control the content of this education activity are required to disclose all relevant financial relationships with any entity producing, marketing, re-selling, or distributing health care goods or services, used on, or consumed by, patients.
