MISSION STATEMENT

Children’s Hospital of Pittsburgh of UPMC is dedicated to improving the health and well-being of all children through excellence in patient care, teaching, research, and advocacy.

About Children’s Hospital

Renowned for its outstanding clinical services, research programs, and medical education, Children’s Hospital of Pittsburgh of UPMC has helped establish the standards of excellence in pediatric care. Talented and committed pediatric experts care for infants, children, and adolescents who make more than 1,000,000 visits to Children’s, its many neighborhood locations, and Children’s Community Pediatrics practices each year.

Children’s by the Numbers (FY 2017)

- **12,320** inpatient stays
- **9,705** observation stays
- **80,408** emergency and Express Care visits
- **23,389** surgical procedures
- More than **1 million** outpatient visits

Children’s:

- is one of the top 10 pediatric hospitals in the United States named to U.S. News & World Report’s Honor Roll of America’s “Best Children’s Hospitals” for 2017-2018.
- in 2017, achieved re-designation of Magnet Recognition® status from the American Nurses Credentialing Center (ANCC). Children’s is among only 6 percent of hospitals nationwide to have achieved this prestigious status.
- has one of the fastest growing, National Institutes of Health-funded pediatric research programs in the country. In Fiscal Year 2016, pediatric research programs at Children’s Hospital and the University of Pittsburgh School of Medicine ranked 10th in funding dollars from the National Institutes of Health.
- is a Healthcare Information and Management Systems Society (HIMSS) Enterprise Davies Award recipient (2015) and is the first pediatric hospital in this country to achieve Stage 7 recognition from HIMSS Analytics for its electronic medical record.
- has been recognized by KLAS, an independent health care research organization, as the number one pediatric hospital in its use of health care information technology.
REGIONAL LOCATIONS

Visit www.chp.edu/locations to find detailed information about services offered at each location.

For driving directions, visit www.chp.edu/directions.
MAIN CAMPUS
1. CHILDREN’S HOSPITAL OF PITTSBURGH OF UPMC
4401 Penn Ave.
Pittsburgh, PA 15224-1334
412-692-5325

CHILDREN’S COMMUNITY PEDIATRICS
Exceptional pediatric care, right in your community

Children’s Community Pediatrics (CCP) is the largest pediatric and adolescent primary care medical network in western Pennsylvania, with 40 practice locations in 13 counties. CCP has more than 285,000 active patient lives and more than 850,000 visits annually.

CCP provides:
• easy access to primary care at convenient neighborhood locations
• more than 175 board-certified physicians, plus dedicated physicians’ assistants and nurse practitioners
• a well-child care philosophy for prevention of disease and injury
• expert treatment for both acute and chronic pediatric conditions
• specialty services including behavioral health and nutrition services
• access to world-class specialists through Children’s Hospital and its neighborhood locations
• ImPACT concussion testing for young athletes
• lactation consulting for moms

For more information about Children’s Community Pediatrics practices, physicians, services, hours of operation, or locations, visit www.childrenspeds.com or call 724-933-1100. Central billing offices are located in Pine Center, Wexford.
PHYSICIAN PARKING

Emergency Parking
Medical staff members reporting for a Level 1 Trauma emergency should enter the hospital driveway from Penn Avenue and inform the attendant that they are here for an emergency. Physicians will need to leave their car keys with the attendant in case there is a need to valet-park the car.

Short- and Long-Term Parking
Short- and long-term parking is available in the North Garage for all medical staff and referring physicians. Staff with parking leases at the 55th Street parking lot are permitted to park in the North Garage Monday through Friday if their shift starts after 2:30 p.m. and must be out of the garage by 8:30 a.m. the following morning. They are also permitted to park in the North Garage on weekends and holidays.

A parking lease is required in order to access all garages or lots. Long-term lease information may be obtained from the Parking Office at 412-692-5920.

PATIENT VISITING POLICY

Children’s Hospital of Pittsburgh of UPMC has a 24-hour visitation policy for parents. Other family members are encouraged to visit and may visit along with friends during visiting hours (10 a.m. to 9 p.m. daily). Visitors must be 4 years of age or older; children under 18 years of age must be accompanied by a parent or adult. All visitors, parents, guardians, and other patient guests, including clergy, to any inpatient unit or surgical area are required to have photo identification and wear a visitor identification (ID) badge issued at the Welcome/Information Center, Main Hospital, Main Lobby, before going to the unit. Issuance of a visitor’s pass and access card from the Welcome Center is contingent upon either the parent’s/guardian’s verbal permission at the time of the visit or by providing the four-digit identification number. Visitors without a badge are not permitted on patient units. All visitors are checked against the national sex offender database. Sex offenders are not permitted on Children’s Hospital property.

Medical and Surgical Units
Acute care patients are permitted to have four visitors at a time, including parent/guardian. Two parents may sleep overnight at the child’s bedside. Some units may be more restrictive. For example, in bone marrow transplant areas, visitation is limited to parents and family members. In the Same-Day Surgery Center, visitation is limited to parents only.

Critical Care Units
Critical care patients are permitted to have two visitors at a time, including parent/guardian. One parent or guardian may sleep overnight at the child’s bedside. Visitors also may be asked to leave the units during patient procedures at the discretion of the nursing staff.
Children’s Hospital of Pittsburgh of UPMC's team of physician liaisons is dedicated to addressing the needs of family practitioners and community pediatricians.

Our physician liaisons will update you on new or enhanced services as well as serve as a resource for any questions, comments, or concerns you may have. They routinely provide assistance to referring physicians who wish to learn more about our department, their capabilities and their staff as well as in coordinating office visits with our specialists. Children’s also offers Continuing Medical Education (CME) events in your community. These events may include breakfasts, dinners, or lectures at referring hospitals.

Please contact our team of liaisons at mdrelations@chp.edu or by calling or emailing them individually. They will be happy to visit your office and discuss how the capabilities of Children’s can complement your commitment to excellence in the care of infants, children, and young adults.

Email us at MDrelations@chp.edu.
PHYSICIAN REFERRAL SERVICE
412-692-PEDS (7337)
www.chp.edu/findadoctor

Description of Services
Children’s Hospital of Pittsburgh of UPMC’s Physician Referral Service is a resource for families who are new to the area or who are seeking health care providers for their children. It provides assistance to families searching for primary care pediatricians and pediatric specialists.

Users are referred to physicians who best meet their needs based on factors such as location, office hours, and insurance requirements.

The Physician Referral Service is available 24 hours a day, seven days a week. Users can:

- call 412-692-PEDS (7337) to speak with a representative
- visit our Find a Doctor page and search online for a physician

Physicians also may use the Physician Referral Service to refer to a Children’s Hospital pediatrician or pediatric specialist.

MEDCALL
412-647-7000

FAX 412-647-7890
MedCall1@upmc.edu

Forbes Tower, Suite 3045
3600 Forbes Ave.
Pittsburgh, PA 15213

Description of Services
Children’s Hospital of Pittsburgh of UPMC’s MedCall is an advanced physician-to-physician resource for all aspects of consults and patient transfers.

Through MedCall, physicians can consult with specialists at Children’s Hospital and throughout UPMC.

Physicians can receive assistance with the following:

- consultations
- transfers
- admissions
- follow-up information regarding their patients’ progress
- air and ground transports by Children’s Hospital’s Transport Team

TELEPHONE & TRIAGE ADVICE CENTER
Jennifer Iagnemma, RN

Description of Services
The Telephone Triage & Advice Center provides evening, night, and weekend on-call coverage for primary care physicians (PCPs) by enabling registered nurses to serve in an on-call capacity. The nursing staff functions as an extension of the primary care pediatricians’ practices by triaging all physicians’ after-hours clinical calls in accordance with approved telephone protocols. All telephone encounters are documented with a detailed patient assessment and recommended protocol advice.

The Telephone Triage & Advice Center provides on-call coverage for more than 1.5 million pediatric and adult patients in the tri-state area. It also functions as the UPMC MyHealth 24/7 Nurse Line for UPMC Health Plan.

For more information regarding the Telephone Triage & Advice Center services and hours of operation, contact Robin Fortunato, RN, manager, at robin.fortunato@chp.edu.
Clinical Services
Please keep in mind that staff listings, phone numbers, and locations do occasionally change. For complete, up-to-date information about our services, visit www.chp.edu/directory.

About Children’s Hospital of Pittsburgh of UPMC

Regionally, nationally, and globally, Children’s Hospital of Pittsburgh of UPMC is a leader in the treatment of childhood conditions and diseases, a pioneer in the development of new and improved therapies, and a top educator of the next generation of pediatricians and pediatric subspecialists. With generous community support, Children’s Hospital has fulfilled this mission since its founding in 1890. Children’s is named consistently to several elite lists of pediatric hospitals, including ranking No. 9 in the prestigious U.S. News & World Report annual Honor Roll of America’s Best Children’s Hospitals for 2017-2018 and ranking 10th among children’s hospitals and schools of medicine in funding for pediatric research provided by the National Institutes of Health (FY2016).
