ABOUT UPMC CHILDREN'S HOSPITAL OF PITTSBURGH

Regionally, nationally, and globally, UPMC Children’s Hospital of Pittsburgh is a leader in the treatment of childhood conditions and diseases, a pioneer in the development of new and improved therapies, and a top educator of the next generation of pediatricians and pediatric subspecialists. With generous community support, UPMC Children’s Hospital has fulfilled this mission since its founding in 1890. UPMC Children’s is recognized consistently for its clinical, research, educational, and advocacy-related accomplishments, including ranking 13th among children's hospitals and schools of medicine in funding for pediatric research provided by the National Institutes of Health (FY2017).

AWARDS AND RECOGNITION

**Magnet® Recognition**
UPMC Children’s was re-designated as a Magnet® hospital in 2017, a designation achieved by only 6 percent of hospitals nationwide for quality patient care, nursing excellence, and innovations in nursing. Magnet® is the highest honor an organization can receive for excellence in nursing.

**U.S. News**
UPMC Children’s Hospital of Pittsburgh is consistently recognized by U.S. News & World Report as one of America’s best children’s hospitals. For 2018-2019, UPMC Children's is nationally ranked in 9 specialties.

**Parents Most Innovative Children’s Hospitals 2018**
UPMC Children’s was named among the “The Most Innovative Children’s Hospitals 2018” by Parents magazine.

**HIMSS Davies**
UPMC Children’s was named a Healthcare Information and Management Systems Society (HIMSS) Enterprise Davies Award recipient for their electronic health record programs to improve patient. In addition, UPMC Children’s was the first pediatric hospital to achieve Stage 7 certification and has been successfully revalidated every year since 2009.

**NIH Pediatric Research Leader**
In Fiscal Year 2017, the pediatric research program at UPMC Children’s Hospital ranked 13th in funding dollars from the National Institutes of Health (NIH). The University of Pittsburgh School of Medicine ranked seventh in NIH funding among medical schools.

**Residency Program**
The University of Pittsburgh School of Medicine’s Pediatric Residency Program at UPMC Children’s is one of the elite pediatric training programs in the United States, for its in-depth, hands-on training of residents.

**LEED® Certification**
UPMC Children’s Hospital of Pittsburgh was one of the first pediatric hospitals in the United States to be LEED (Leadership in Energy and Environmental Design) -certified by the U.S. Green Building Council in recognition of energy saving features and “green” construction. LEED certification was designated for the hospital building, John G. Rangos Sr. Research Center, and Children’s South.

**AAMC Best Practice Hospital**
The Association of American Medical Colleges (AAMC) selected UPMC Children’s Hospital of Pittsburgh, to highlight as best-practice hospitals in conducting community health needs assessments (CHNA). Children's Hospital was one of seven selected, based on innovation, community engagement, and impact.

**LGBTQ Healthcare Equality Leader**
UPMC Children’s Hospital has been recognized for the third consecutive year as a “Leader in LGBTQ Healthcare Equality” by the Human Rights Campaign Foundation, the education arm of America’s largest civil rights organization working to achieve equality for lesbian, gay, bisexual, transgender and queer (LGBTQ) people.

**Most Beautiful Hospital 2018**
UPMC Children’s Hospital has consistently been named one of the most beautiful hospitals in the United States by Soliant Health.

CHILDREN’S COMMUNITY PEDIATRICS

Exceptional pediatric care, right in your community

Children’s Community Pediatrics (CCP) is the largest pediatric and adolescent primary care medical network in western Pennsylvania, with 40 practice locations in 13 counties. CCP care for more than 285,000 patients who make more than 850,000 visits annually.

CCP provides:
• easy access to primary care at convenient community locations
• more than 175 board-certified physicians, plus dedicated physicians’ assistants and nurse practitioners
• a well-child care philosophy for prevention of disease and injury
• expert treatment for both acute and chronic pediatric conditions
• specialty services including behavioral health and nutrition services
• access to world-class specialists through UPMC Children’s Hospital and its neighborhood locations
• ImPACT concussion testing for young athletes
• lactation consulting for moms

For more information about Children’s Community Pediatrics practices, physicians, services, hours of operation, or locations, visit www.childrenspeds.com or call 724-933-1100. Central billing offices are located in Pine Center, Wexford.
PHYSICIAN PARKING

Emergency Parking
Medical staff members reporting for a Level 1 Trauma emergency should enter the hospital driveway from Penn Avenue and inform the attendant that they are here for an emergency. Physicians will need to leave their car keys with the attendant in case there is a need to valet-park the car.

Short- and Long-Term Parking
Short- and long-term parking is available in the North Garage for all medical staff and referring physicians. Staff with parking leases at the 55th Street parking lot are permitted to park in the North Garage Monday through Friday if their shift starts after 2:30 p.m. and must be out of the garage by 8:30 a.m. the following morning. They are also permitted to park in the North Garage on weekends and holidays. A parking lease is required in order to access all garages or lots. Long-term lease information may be obtained from the Parking Office at 412-692-5920.

PATIENT VISITING POLICY

UPMC Children's Hospital of Pittsburgh has a 24-hour visitation policy for parents. Other family members are encouraged to visit and may visit along with friends during visiting hours (10 a.m. to 9 p.m. daily). Visitors must be 4 years of age or older; children under 18 years of age must be accompanied by a parent or adult. All visitors, parents, guardians, and other patient guests, including clergy, visiting any inpatient unit or surgical area are required to have photo identification and wear a visitor identification (ID) badge issued at the Welcome/Information Center, Main Hospital, Main Lobby, before going to the unit. Issuance of a visitor’s pass and access card from the Welcome Center is contingent upon either the parent’s/guardian’s verbal permission at the time of the visit or by providing the six-digit identification number. Visitors without a badge are not permitted on patient units. All visitors are checked against the national sex offender database. Sex offenders are not permitted on Children's Hospital property.

Medical and Surgical Units
Acute care patients are permitted to have four visitors at a time, including parent/guardian. Two parents may sleep overnight at the child’s bedside. Some units may be more restrictive. For example, in bone marrow transplant areas, visitation is limited to parents and family members. In the Same-Day Surgery Center, visitation is limited to parents only.

Critical Care Units
Critical care patients are permitted to have two visitors at a time, including parent/guardian. One parent or guardian may sleep overnight at the child’s bedside. Visitors also may be asked to leave the units during patient procedures at the discretion of the nursing staff.

STARBUCKS
NOW OPEN
Open 24 hours a day, seven days a week in the main lobby, across from the Gift Shop.
PHYSICIAN LIAISONS

UPMC Children’s Hospital of Pittsburgh’s team of physician liaisons is dedicated to addressing the needs of community pediatricians and family practitioners.

Our physician liaisons will update you on new or enhanced services as well as serve as a resource for any questions, comments, or concerns you may have. They routinely provide assistance to referring physicians who wish to learn more about our department, their capabilities and their staff as well as in coordinating office visits with our specialists. UPMC Children’s also offers Continuing Medical Education (CME) events in your community. These events may include breakfasts, dinners, or lectures at referring hospitals.

Please contact our team of liaisons at mdrelations@chp.edu or by calling or emailing them individually. They will be happy to visit your office and discuss how the capabilities of UPMC Children’s can complement your commitment to excellence in the care of infants, children, and young adults.

PHYSICIAN REFERRAL SERVICE
412-692-PEDS (7337)
www.chp.edu/findadoctor

Description of Services
UPMC Children’s Hospital of Pittsburgh’s Physician Referral Service is a resource for families who are new to the area or who are seeking health care providers for their children. It provides assistance to families searching for primary care pediatricians and pediatric specialists.

Users are referred to physicians who best meet their needs based on factors such as location, office hours, and insurance requirements.

The Physician Referral Service is available 24 hours a day, seven days a week. Users can:

- call 412-692-PEDS (7337) to speak with a representative
- visit our Find a Doctor page and search online for a physician

Physicians also may use the Physician Referral Service to refer to a UPMC Children’s pediatrician or pediatric specialist.

MEDCALL
412-647-7000

FAX 412-647-7890
MedCall1@upmc.edu

Forbes Tower, Suite 3045
3600 Forbes Ave.
Pittsburgh, PA 15213

Description of Services
UPMC Children’s Hospital of Pittsburgh’s MedCall is an advanced physician-to-physician resource for all aspects of consults and patient transfers.

Through MedCall, physicians can consult with specialists at UPMC Children’s.

Physicians can receive assistance with the following:

- consultations
- transfers
- admissions
- follow-up information regarding their patients’ progress
- air and ground transports by UPMC Children’s Transport Team

TELEPHONE & TRIAGE ADVICE CENTER
The Telephone Triage & Advice Center provides evening, night, and weekend on-call coverage for primary care physicians (PCPs) by enabling registered nurses to serve in an on-call capacity. The nursing staff functions as an extension of the primary care pediatricians’ practices by triaging all physicians’ after-hours clinical calls in accordance with approved telephone protocols. All telephone encounters are documented with a detailed patient assessment and recommended protocol advice.

The Telephone Triage & Advice Center provides on-call coverage for more than 1.5 million pediatric and adult patients in the tri-state area. It also functions as the UPMC MyHealth 24/7 Nurse Line for UPMC Health Plan.

For more information regarding the Telephone Triage & Advice Center services and hours of operation, contact Robin Fortunato, RN, manager, at 724-941-5815 or robin.fortunato@chp.edu.
Clinical Services
Please keep in mind that staff listings, phone numbers, and locations do occasionally change. For complete, up-to-date information about our services, visit www.chp.edu/directory.
