

One Children's Hospital Drive / 4401 Penn Avenue / Pittsburgh PA, 15224

Dear Heart Camp Families,

Beginning this summer, in our continuous efforts to provide the best possible care to our campers and staff, the Dr. Bill Neches Heart Camp for Kids is partnering with CampDoc.com.

CampDoc.com offers online registration and an electronic health record system for camps. Their system will help us consolidate and integrate camper registration and health information into a centralized and secure location.

The security, confidentiality and privacy of your camper's personal health information will always be protected. Only the Heart Camp healthcare staff will have access to camper health information, and the CampDoc.com site is secure, encrypted and password protected.

Once you sign up for a CampDoc.com account, you will be able to register your camper and pay your deposit online. You will then receive additional information about how to complete your camper's health profile. You will receive periodic notifications from CampDoc.com if you have not completed required health information or when it gets close to the closing day to register.

In order to experience the CampDoc.com registration website fully, they recommend all users upgrade to the latest version of Chrome, Firefox, Microsoft Edge or Safari.

Here is the link to register for Heart Camp 2016: app.campdoc.com/register/chp

We are excited to continually evolve, building safer, more productive and more efficient systems to create the best experience for you and your heart camper!

We can't wait to see you this summer,

A handwritten signature in black ink that reads 'Keith W. McIntire'.

Keith McIntire
Coordinator, Dr. Bill Neches Heart Camp for Kids
