

Consent to Participate in V-CHOPI 2020

Thank you for participating in virtual Camp Chihopi 2020. The purpose of V-CHOPI is to provide campers and staff an opportunity to participate in virtual camp experiences due to the cancellation of Camp Chihopi according to COVID-19 social distancing policies. V-CHOPI will provide approximately ten hours of virtual programming for socialization with peers, a virtual art project, cabin discussions, and all camp activities. Cabin discussions will be supervised and facilitated by senior staff.

Please note that your participation in this group event and any personal health information you may share with the group is at your own discretion and no longer falls under the guidelines and regulations of Children's Hospital of Pittsburgh of UPMC under the category of Personal Health information (PHI). The information you share is at your own discretion and could potentially be disclosed by a third-party participant in the group, for which Children's Hospital of Pittsburgh of UPMC has no liability. This disclosure of PHI is outside of any requests for confidentiality submitted to the hospital.

By signing below you give your consent to participate in the group, or give consent for your child, and acknowledge that you have read and fully understand the contents of this consent form.
