STARZL NETWORK
FOR EXCELLENCE
IN PEDIATRIC
TRANSPLANTATION

A CALL FOR BOLD IDEAS IN TRANSPLANTATION

When you harness the power of our nation's brightest minds, you can change the world. Starzl Network for Excellence in Pediatric Transplantation is challenging **tech startup companies** and **academic hospitals** to pursue innovative ideas to impact the transplant journey. Prizes in both startup and academic tracks will be available. These advances will change the lives of transplant patients for generations to come.
