

CAMP RULES: CHIHOPI 2019

The staff of Camp Chihopi believes that our camping experience should be enjoyable for everyone. We do, however, have reasonable expectations of each camper. All campers must read, understand, and agree to the following rules established by the Emma Kauffman camp, Camp Chihopi and the camp directors. We realize that some campers may require extra assistance in some activities, but all campers must follow these rules to the best of their abilities.

Parents must read and discuss these camp rules with their child and both the parents and child must sign the camp contract. We believe that these rules are fair and basic to a well-run camping experience. By signing the contract, the child and parent(s) are now aware that if the rules are not followed, the child may not be permitted to participate in a particular camp activity or may be expelled from camp.

In the event of being expelled from camp, parents will be required to pick up their child from camp within a reasonable time of being informed of the expulsion. The child will not be permitted to participate in camp activities while waiting for their parents to arrive and will stay in the Health Center with Chihopi staff.
