

Welcome

Nursing Colleagues —

WELCOME TO THE 2019 PEDIATRIC NURSING CONFERENCE, “Pediatric Nursing: What’s Now...and What’s Next” at UPMC Children’s Hospital of Pittsburgh. We are delighted to be hosting this continuing education opportunity to share best practices and network with colleagues from across the country.

As the healthcare landscape continues to undergo significant change, pediatric nurses are positioned to lead initiatives that directly affect patient outcomes. Healthcare providers are constantly being challenged to implement best practices to deliver the highest quality of patient care while assuring the best patient/family experience in the most cost-effective manner. This conference serves as an avenue that allows pediatric nurses to share creative initiatives and collaborations, which I am confident will help lead to improvements in both patient outcomes and experience.

I again welcome you and hope you enjoy the conference!

Sincerely,

A handwritten signature in blue ink that reads "Diane S. Hupp". The signature is written in a cursive, flowing style.

Diane S. Hupp, DNP, RN, NEA-BC, FAAN
Chief Nursing Officer
Vice President, Operations and Patient Care Services
UPMC Children's Hospital of Pittsburgh

CONFERENCE OBJECTIVES

Upon completion of the conference, the participant will:

- Advance nursing care through expanding an understanding of the holistic patient and family experience.
- Characterize societal and cultural differences as they impact pediatric patient care.
- Apply the latest innovations nursing care of the pediatric population.

4. After account created; complete registration

Registration Fees

UPMC Employee \$150 (discount code "UPMC for CHP")

Primary Presenter - \$150 (discount code "UPMC for CHP")

Regular - \$175

ABOUT PITTSBURGH

BIG CITY AMENITIES, SMALL-TOWN FRIENDLY.

That's Pittsburgh. With a breathtaking skyline, sparkling clean rivers, magnificent architecture, and a LEED-certified children's hospital, Pittsburgh is a city where it all comes together.

Named one of the country's best arts cities, conference attendees can see a wide variety of art from the Andy Warhol Museum to the offerings at the Carnegie Museums of Art and Natural History.

Seven downtown theaters present performances by the world-class Pittsburgh Symphony Orchestra, Pittsburgh Ballet Theater, Broadway Series and Pittsburgh Opera, while the city's jazz legacy is preserved at the August Wilson Center for African American Culture.

Downtown restaurants, shops, ballparks, and casino are easily accessible on foot or on the "T," a free underground rail system that is within the central business district. Shopping is convenient and a bargain, as there is no tax on clothing in Pennsylvania.

Conference attendees can jog along paved, tree-lined paths along the rivers; or, cross the Monongahela River to Station Square, a short walk over one of Pittsburgh's many bridges, a riverfront site featuring a collection of over 60 shops and restaurants.

Visitors can experience the city's beautiful skyline on board a riverboat tour or ride the Duquesne Incline to one of the many restaurants overlooking the city at the top of Mount Washington to experience firsthand what *USA Today Weekend* magazine named as one of the most beautiful views in America.

Through a strong commitment to finding the best approaches to quality patient care, Children's Hospital is positioned to support the health and well-being of children now and for generations to come.
